CHARGES IN SHOOTING DEATH OF LOCKSMITH

SAN JOSE 4/5/07 – Two San Jose men and a teenager were charged Wednesday with murder in the death of a Fremont locksmith Friday, according to the Santa Clara County District Attorney's Office.

The suspects are suspected of robbing and shooting Hernan Koba, 33, on Friday evening along Snow Drive soon after he had fixed someone's lock.

BOGUS LOCKSMITH

NJ Insurance Fraud Prosecutor Greta Brown reported that Dariusz Grabowski admitted he falsely obtained more than 130 key codes from Key Code Express in Florida, as well as 36 key codes from the Jameson Code Service and six key codes from the Key Quest Inc. key service. He obtained the key codes so that other members of the enterprise could steal vehicles, frequently from automobile dealerships, and so that the stolen vehicles could be re-tagged and sold on eBay. He admitted that he was involved in the sale of at least 42 stolen vehicles utilizing eBay.

Grabowski will be serving 20 years in prison for his role in this theft ring.
