NEXT MEETING

Wednesday

APRIL 9, 2008 6:15 PM

55 Lexington Ave room 14-285

MEETING SPONSOR: KENSTAN LOCK

David Allen & Bill Bullwinkel will be presenting Kenstan's New I.C. Core converter (Patent Pending).

ELECTIONS

Elections at the last meeting were postponed because of the poor attendance, even though we had a quorum. We will be postponing the elections again until at least the May meeting out of respect for our long-time president, who will not be able to attend this month's meeting.

DUES

Thank you to all of our paid-up members. As of this month, we have 41 paid Regular Members and 20 Corporate members

ILA / NYAIL

The members voted last month to approve the arrangement with the Institutional Locksmiths' Association whereas any regular NYAIL member can choose to join the ILA for a fee of \$15. To reciprocate, NYAIL will supply the ILA with a mailing list of its regular members. Each member has the option of "opting out" of having his/her name on that supplied list. Several members have already paid that \$15. If you're interested, send a check for \$15 to NYAIL. We will forward it to the ILA.

The Kenstan converter will enable institutional locksmiths to have their own restricted keyway on large format Corbin Russwin IC Core housings. By applying the Kenstan converter, you will be able to turn your non restricted IC Core locks into restricted locks with full access control capabilities using the Kenstan Videx cores.

GET WELL SOON

Get well soon to NYAIL President Wai Kin Ng, who is recovering from eye surgery.

CONDOLENCES

Condolences to the family of Kennard Jacobs, past member of NYAIL. Kenny passed away this month. He worked at Mt Sinai.

WELCOME

Welcome to Stanley Security Solutions, which many of you know as Best Lock or Best Access. Rich Robbins is the NY territory account manager and can be reached at 646 359-4126.

MLANJ

The Master Locksmiths Association of New Jersey will be holding its 34th Anniversary Trade Show at Accredited Lock Supply in Secaucus, NJ on April 11, 12 and 13th.
