LOCKSMITH LICENSING

On November 20, Wai Kin Ng, Rick Duskwicz and Richard Reichert met with Council Member David Weprin's Legislative Director to discuss possible changes in the NYC locksmith licensing law. Rick also spoke with the Dept of Consumer Affairs' Deputy General Counsel on December 8 to express NYAIL's interest in opening up discussions regarding DCA's 2007 legislative agenda.

This is only the first step in what could be a long process. We'll keep you posted.
