POSSIBLE BUS TRIPS IN APRIL AND JULY

The New Jersey Master Locksmith Association show will be held on April 17 and 18, and the ALOA show in Baltimore will be on July 24 and 25.

There is a possibility that, if there's enough interest amongst members, NYAIL will pick up a portion of the cost of a bus rental for one or both of these shows. Actual cost to each member is dependent of the number attending, but a good estimate is \$30 per trip.

LAST MONTH'S BASIC ELECTRICITY CLASS

The 7 hour lecture and hands-on class was a hit. Attendees walked out of the

room with knowledge of relays, wiring runs and voltage requirements.

There were almost 30 students in the class, a fine showing indeed.

ELECTIONS ARE COMING IN MARCH

Are you willing to help your fellow locksmiths out by running for an officer position?

Don't forget, there's always room in our association for someone who wants to help out.

Speak to Martin or Wai if you're interested.

STICKERS

The sticker legislation that was co-authored by Council Members Gale

Brewer and Tony Avella last year was reintroduced this past week. This is standard procedure for bills that haven't quite left the committee stage.

Another bill that was re-introduced was one that will eliminate the sale, installation and use of audible car alarms within NYC. Rather than enforce the existing laws than ban defective or too-sensitive alarms, a few Council members want to eliminate them completely.

DUES

Your dues are expected to be paid by the March meeting. Please be prompt. Corporate Member invoices will be sent this month.

CERTIFICATION TEST

Also to be discussed at this month's meeting are possible testing dates for the ILA certification test.
