

JUNE 2004

NYAIL NEWS

THE OFFICIAL NEWSLETTER OF THE NEW YORK ASSOCIATION OF IN-HOUSE LOCKSMITHS, INC.
PO Box 1439, Madison Square Station, New York, NY 10159-1439
The largest and oldest continuously-active locksmith association in New York City.

NEXT MEETING WEDNESDAY, JUNE 9 6:00 PM

55 LEXINGTON AVE (corner of 24th Street)
Room 14-280 (14th floor)
The meeting starts at 6:00 PM Please be on time.

This month's sponsor is ABLOY DOOR SECURITY.

Martin Day and Joe Occhiogrosso will be presenting Abloy's next generation of high security cylinders. This new patented system has maximum protection from picking, and a huge masterkeying potential. They will also review Abloy's complete line of high security products.

ILA CERTIFICATION TEST

There was a grand total of five NYAIL members that paid the fee and appeared on an early Sunday morning in May to take the certification test by the ILA.

All five test-takers agreed that the test covered subjects that they hadn't thought of for quite a while. The testing guide was a great help to those who purchased one. The 248 question, multiple-choice test was proctored by ILA officers Tom Negrón, John Truempy, and Marykay Hamilton. No word yet on how many (*if any*) passed.

NYAIL BROCHURE

It's time to update our brochure that is distributed to prospective members and their institutions.

Samples of the existing brochure will be handed out at this meeting for comments and suggestions.

NYAIL MAY GET NATIONAL

No, we don't mean that we'll be accepting members from all over the country. It's possible that we may have an opportunity to publish information relating to our organization in a nationally-published magazine on a fairly regular basis.

We should know more after the summer break.

THOSE DAMN STICKERS

Rick Duskiwicz recently received a call from the Director of Enforcement at the NYC Sanitation Department. Mr. Kuznitz said that while there were only about a half dozen complaints filed, over **335** Notices of Violations have been issued.

It's just a matter of time now. Call 311 and complain.
