March, 2006

In Memoriam

Johnny Akers, a longtime NYAIL member, passed away on February 1, 2006. He was the in-house locksmith and superintendent at 55 East End Avenue.

Johnny was hospitalized in January after his sore throat lingered and would not get better. Treatment with antibiotics didn't seem to help. In January he was diagnosed with a relatively rare form of lymphoma.

Johnny was 44. He will be missed by us all.

If you'd like to send condolences to his wife Darlene, you can do so at Darlene@locksmith.org

What Day For Our Meetings?

Our monthly meetings have been held on Wednesdays for several years now. We realize that some of you cannot attend because you have prior commitments on Wednesdays. We'd like to find out if Tuesday or Thursday would be a more convenient day for our members. Let us know. Send an e-mail to Rick at rick@locksmith.org or leave a message at 646 312-4475. Let us know either way: Tuesday, Wednesday or Thursday?

CIL Test in Late April

We're expecting to hold a sitting for the CIL test in late April. Are you interested? The fee, payable to the ILA (not NYAIL) is \$50.00. If you did not pass the test last time, and would like to retake it, there is no charge. Let us know soon. Contact Wai Kin Ng at 212 639-7853 for more information.

Bus Trip to Sargent

We've placed a deposit with the charter bus company. So far, we have approximately nine members that have sent in their \$50 deposits. The deadline for this April 19 trip is March 8. If we don't have enough attendees (20-25), we will have to cancel the trip. We forgot to mention last month that Sargent Lock is paying for half of

the bus cost, a very generous offer.

Any questions? Contact Martin Murphy at 212 562-5040.
