## MEETINGS FOR 2008

All meetings for 2007 are currently booked. We are not accepting any meeting reservations for 2008 at this time. We will disclose the reason in a month or two.

## FEAR OF SPEAKING?

Do you have a fear of public speaking? Do you cringe at the thought of being asked to give a toast at a wedding? Do butterflies do the dance of death in your belly when talking to several people at once?

Try Toastmasters. It's an organization that's designed to help people deal with the stress of speaking in public. It can also help you in those tense situations when you need to make a presentation to your boss and his bosses. Baruch Toastmasters has an open invitation to all NYAIL members. The next meetings are March 23 and April 13 at 6:15 PM. The meetings are held in the same building that NYAIL meets. Just contact [baruchtm@yahoo.com](mailto:baruchtm@yahoo.com) two days in advance so you can be placed on the building's security guest list.

## E-MAIL FORWARDS

Occasionally, when a member falls behind in his dues, and then pays after a short absence, his e-mail forward doesn't always get reinstated automatically. Contact Rick at [rick@locksmith.org](mailto:rick@locksmith.org) and ask him for an update on your email.

## NYAIL WILL HAVE A BOOTH AT ASIS

Once again, courtesy of Mark Berger of Securitech, NYAIL will have a booth at the May 15 ASIS Security show. Thanks, Mark!!

### **LOCKSMITH LICENSE**

You should have received your license renewal by now. Remember, it's due before May 31.

### **LOST YOUR LICENSE?**

Just received this information direct from the NYC Dept of Consumer Affairs: If you've lost your license, you must first file a police report, then use that report number when you go down to DCA and fill out the "Lost License" form, along with the \$15 fee.

### **DUES**

If you haven't paid your dues by March 14, you will be placed in an "inactive" status. That means no further newsletters or meeting notices.
