THE OFFICIAL NEWSLETTER OF THE NEW YORK ASSOCIATION OF IN-HOUSE LOCKSMITHS, INC.
PO Box 1439, Madison Square Station, New York, NY 10159-1439

MARCH 2003

NEXT MEETING WEDNESDAY, March 12 6:00 PM

17 LEXINGTON AVE (corner of 23rd Street)
Skylight Room, 3rd floor

There is no Corporate Sponsor this month, since March's meeting is our General Membership meeting, where we discuss options, suggestions, and anything else you want to bring up.

Regular and Corporate Members are welcome.

Please be on time.

Another example of the vandalism that hits many of our institutions.

Several layers of illegal "24 HOUR EMERGENCY LOCKSMITH" stickers are visible.

We were recently notified about NY State Penal Law 145.30, which states that it is illegal to post an advertisement on private property without the permission of the owner. Furthermore, the owner of the phone number that is listed on the advertisements is benefitting, and is therefore liable. We know of several property owners that are willing to follow through with this.

Since the sticking of private property casts a bad impression of all locksmiths, NYAIL is sending letters to several precincts and community boards asking for support for the prosecution of violators.

Also, since all locksmith licenses in NYC are due for renewal this upcoming May, we're hoping that Consumer Affairs will be placing a warning in with the renewal forms. An inspector with DCA has been notified.

UPCOMING TEST

The City University of New York (CUNY) will be giving a civil service test for Locksmith sometime this spring.

In fact, nine Locksmiths in various CUNY colleges have been meeting with a test coordinator for a test that will hopefully improve on the last one given.

This association's only income is from members' dues.

If you have not yet paid your dues, please do so ASAP.
