**MEETING SPONSOR: FRIED BROS., INC**

## ELECTIONS

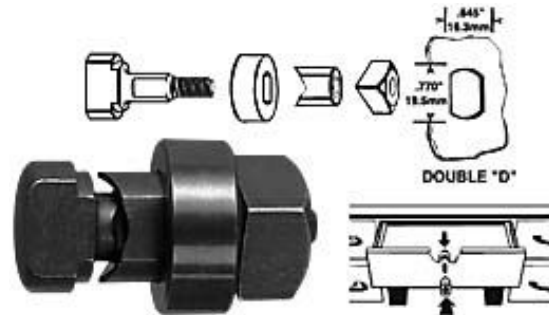

Elections at the last two meetings were postponed because of the absence of our president, and the poor attendance. Elections will be held this month. All positions are open. Please consider volunteering.

## DUES

Thank you to all of our paid-up members. As of this month, we have 42 paid Regular Members and 20 Corporate members

## ILA / NYAIL

If you would like to join the Institutional Locksmiths' Association, you now have the opportunity to do so for a mere \$15. You will receive their newsletter in the mail, as well as the opportunity to attend their convention in New Jersey this year for the discounted member price. If you're interested, make the \$15 check out to NYAIL, and we will forward it on to the ILA.

The Transportation Security Administration is hosting a very interesting blog that explains a lot of their policies, such as why certain liquids are prohibited on planes. They also describe how the knives, tools, crowbars and other confiscated objects are disposed of.

Read it for yourself at: <http://www.tsa.gov/blog>

## GET WELL SOON

Get well soon to NYAIL's former webmaster, Life Member, and 'Recording Secretary of Last Resort' Ralph Johnson, who's recovering from minor surgery.
