“I’M READY FOR MY CLOSEUP”

A recently released movie called “My Sassy Girl,” starring Elisha Cuthbert of “24” fame and Jessie Bradford included several interior shots of Baruch College, including the front door of Baruch’s Locksmith Shop (seen here behind the big guy’s left shoulder).

Rick Duszkiewicz’s photoshopped rendering of “Restroom Hardware I’d Like To See” can be seen on the wall (arrow). The movie was released directly to DVD.
